This certifies Greenfleet will plant 500 trees on behalf of **Thermal Haven Nest Boxes**

Your support will help us restore native forests to provide critical habitat for wildlife and help fight the impacts of climate change. Your support will help us restore native forests to provide critical habitat for wildlife and help fight the impacts of climate change.

Greenfleet is a leading not-for-profit environmental organisation that has delivered climate action for over 25 years. We are focused on protecting our climate by restoring native forests that remove carbon, conserve biodiversity and build critical habitat for native wildlife.

Since 1997, Greenfleet has planted over 11.2 million native trees to create more than 550 legally protected forests. Thanks to you, Greenfleet will continue protecting our climate, addressing critical deforestation and growing native forests that are legally protected for up to 100 years.

Thank you for helping us grow our forests and grow climate hope.

Warm regards,

A handwritten signature in black ink that reads "Wayne".

Wayne Wescott | Greenfleet CEO
